Iowa Legal Aid provides free civil legal services to families within Des Moines Public Schools. Although physical clinics are located in 4 schools, **ANY district families can utilize the clinic hours or make an appointment** to meet with the clinic staff.

Iowa Legal Aid provides support for civil legal cases as well as **case management and resource services** to assist with many different areas that can affect caregivers and their children.

Iowa Legal Aid partners with stakeholders and community agencies to deliver a full spectrum of services to assist families in achieving stability.

Along with having a student enrolled in the district, eligibility for services includes meeting income guidelines and some legal status restrictions.
